

Milwaukee Housing Trust Fund ENDORSEMENT FORM

There is a clear and compelling need for a Milwaukee Housing Trust Fund that will raise up to \$15 Million annually from several dedicated sources. These funds will be used to create or rehab new affordable housing units for renters, homeless families and individuals and low-moderate income home owners. For every \$1.00 invested in the Trust Fund, an additional \$5-\$10 will be invested in Milwaukee neighborhoods. And for every year after, these projects will continue to create jobs, income for local businesses and annual revenue for our local government.
